Starting in 2025 we obtained a new Assistant Treasurer who made efforts to assist in modernizing our financial records and data (such as starting to use QuickBooks). In the course of these efforts and a solid internal review of past records, we discovered our now-former tax accountant, who we had been paying for our tax services, had been extremely negligent in her duties of informing us of tax reporting necessities, as well as some details of the 990 filing. As of such, we obtained a new tax accountant and began a review of all our records and data filed in previous 990s, to ensure the integrity of our organization and reputation. As a result there are major changes to our 2024 Form 990 compared to past 990s. We confidently assure, after a review by ourselves and our new tax accountant, that the 2024 Form 990 is now accurate to the fullest extent, and full and proper efforts will be expended going forward, to ensure future accuracy.

Part VI, line 6; Our organization is comprised completely of volunteer members voted in by an application review.

Part VI, line 7a; Our organization maintains a model of 'active' status based on activity points earned. Members who achieve this point threshold and earn active status are allowed to vote on election of executive leadership.

Part VI, line 7b; Our organization allows all members that attend our meetings to have a vote in motions made for business, spending, etc decisions.

Part VI, line 8a; All of our meetings are recorded and the minutes of posted for all members to read.

Part VI, line 8b; We also have a mortuary and relief committee meeting of sorts that are recorded with minutes posted also.

For Part VI, line 11a; As of our 2024 Form 990 per recommendation of our new tax accountant, we provided the 990 and will continue to provide to our executive board a copy of the 990 for review before filing at the earliest available organization meeting to do so.

For Part VI, line 19; Previously, copies of all these forms were available, when requested, by phone, mail or in-person request. For our 2024 Form 990 and proceeding forward, we will also be placing copies of all these records, available for transparency, on our official organization website also.
